

Why am I studying at home?	How do I get my work?	Quick guide to what you should do	Remember our values
<p>You are being asked to study at home because of the Coronavirus outbreak but please do not worry about becoming ill. This is one of many precautionary measures taken in the country to limit the spread of the virus. The vast majority of people who catch Coronavirus will make a full recovery. It also seems likely that children and young people who catch it will only have mild symptoms.</p> <p>Home study is not a holiday. You are at home in order that the country can limit the spread of Coronavirus and protect vulnerable people and the elderly from catching it.</p> <p>It is important that you do not fall behind in your studies.</p> <p>We expect you to remain at home and complete a minimum of 5 hours of study a day, or 8 hours if you are in Y11 or Y13.</p>	<p>It is important that you take all your books home.</p> <p>Put your phone aside! </p> <p>Y13 and Y11</p> <ul style="list-style-type: none"> • Keep calm and carry on! There may yet be some assessment. • Make a strict work timetable that sets out your subjects and topics for study. • Complete the work set by your teachers carefully. • Use the revision/practise strategies your teachers have advised and provided. Download and use past papers, use the mark schemes and examiner comments for suggestions, work through revision guides. • Your teachers will be available via email during school hours to answer your questions and queries. • Make the most of the time you have! • Study hard, but remember to give yourself breaks, have time away from your screen, do some exercise, sleep and eat well. <p>All students</p> <ul style="list-style-type: none"> • Check your school email regularly for work and instructions set by your teachers. Your teachers will set work at the beginning of the week. • Your teachers will tell you where to find your work • They will provide mark schemes and answer sheets where possible • You should review your own work. • On your return to school, teachers will check your learning. 	<div style="display: flex; flex-direction: column; align-items: flex-start;"> <div style="margin-bottom: 10px;"> <div style="border: 1px solid black; background-color: #fff9c4; padding: 5px; margin-bottom: 5px;">Email Office 365</div> <div style="margin-left: 20px;">1.
