

Year 7 Science @ Crossley Heath

What will I study in Biology in Year 7?

- Cells
- Structure and Function of Body Systems
- Reproduction

What will I study in Chemistry in Year 7?

- Particles
- Atoms, elements and compounds
- Reactions
- Acids and alkalis

What will I study in Physics in Year 7?

- Forces
- Space
- Energy

What do we get to do?

- Working Scientifically – learn all about how scientists do experiments
- LOTS of practical work with lots of different equipment
- Visit Chester Zoo

I LOVE
  
SCIENCE
