

Could you help double the amount the PTA raises for The Crossley Heath School?

If you work for a corporate company you probably can with just a few clicks!

You will hopefully be aware of the work your PTA are doing to raise funds for our school. We wanted to take this opportunity to remind you about the Match Funding scheme and how a little bit of your time could raise double the funds for the PTA to help support the our children and the school.

Many companies match charitable work or donations their employees make, so if you donate to school or support a PTA fundraising activity you could double the amount the school receives.

To check if your employer runs an Employee Matching Fund (EMF) you can just send a quick email to your HR team and ask if they run a charitable 'match funding' scheme.

Corporations often match funds that an employee donates. Many also match the time spent or money raised by the employees as a volunteer at charitable events. As an example, one PTA member is helping on December 3rd at the Winter Fayre on the tombola, their company will match whatever we raise on that stall...that could add hundreds to our total raised.

The application to request match funding is normally very easy, it just requires a form, usually via your companies HR team.

Please do ask at work if you can take advantage of this opportunity. Together we could easily double the funds the PTA raise for the school.

If you have any questions you can always reach us on cha@crossleyheath.org.uk

Thank you for your support
The Crossley Heath School PTA Team.
