Year 10 mid-course examinations

Monday 6th November – Monday 13th November 2023

Dear Parent/Carer

The Year 10 mid-course examinations will take place in the period of **Monday 6th November – Monday 13th November** as published in the school calendar. The subject examination timetable for students is overleaf.

Students will attend school as normal during this period and they will either be sitting an examination or revising in their timetabled lessons. Normal lessons will resume from period 2 on Monday 13th November except for those students taking GCSE Art who will have their practical examination on Friday 17th November.

The Year 10 mid-course examinations represent an important opportunity for students to practise key skills such as time management, organisation and revision skills, which will all be essential for their success in future examinations. It is important that all students prepare thoroughly for their exams if they are to use the experience as effective preparation for public exams.

Students should arrive promptly in school and either go to their normal lesson or when they have an exam go to the Hall/A15 where they will be registered in the exam room. Please note that students must wear school uniform as normal during this examination period.

It is imperative that we have full attendance during this week. However, if a student is absent, please inform the school of their non-attendance in the usual way. On the day of their return to school, the student should see the relevant member(s) of staff for any subject paper they have missed to organise a sitting of their exam.

Thank you for your support in ensuring that students are well prepared in order that the Y10 examinations are a valuable learning experience for all students.

Yours faithfully

Mr J Stead

Associate Assistant Headteacher
