

Eid al-Fitr - Cultural Clothing & Non-Uniform Day
Friday 12th April

We invite all students and staff to share in the festival feeling as our Muslim students and their families celebrate at the end of the holy month of Ramadan. This is a chance to wear your wonderful cultural clothing and non-uniform, something that always brings extra colour and vibrancy to our school community

We will also be holding a school community charity collection to raise funds for the on-going humanitarian crisis in Gaza. The money raised will go to Islamic Relief & World Central Kitchen. These charities are purely humanitarian organisations with no political affiliations. They work to uphold the strictest humanitarian standards of neutrality, impartiality and independence, assisting people of all faiths and none, without discrimination by race, religion or gender. Any donation, however small, will be an act of kindness that will be gratefully received.
